6.1 State the Vision and Mission of the institution

❖ **Vision**

The institution is established by great visionary Shradheya Baba Amte with the vision to uplift educationally, economically and socially underprivileged people through special focus on education and skill development- —A commitment to guide our students to achieve excellence through holistic education. This will lead them to live a dignified personal and social life. This is to be achieved through sustained efforts and initiatives.

❖ **Mission**

Our Mission is to inculcate independent thinking in individuals who will have a voice in society and become messengers of change. Through our value education and social outreach programmes, we foster a concern to elevate the standard of poor and oppressed. The aim of holistic education is to prepare our students to meet the challenges of life besides attaining academic excellence. Mission statements can be summarized as follows:

- To provide the facility of higher education to the students coming from inaccessibly remote, rural and backward areas. Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Digitalization of library is in process and have collection of audio-video study material is available to the students. Reprography facility also available in the library.
- Booklet of newspaper cutting and display of important notifications in library.
- The office administration is computerized.
- Collaboration in research centers with Institute of Science and Departments of Physics, Chemistry, Zoology and Botany.
- The institution, in making eco-friendly campus, constructed pit for disposal of chemical wastes. The wastes from Biological departments are disposed safely in soak pit specifically prepared for the same. Waste materials like paper, plastic bags etc. are collected in a common place and disposed of.

Impact:

- Students make full use of reading room and study materials of competitive examination. Many students appeared for competitive examination and few students have qualified.
- Due to office atomization the work efficiency has increase substantially.
- Students got an opportunity to interact with eminent personalities in their respective fields during the conference.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

- As per plan of action head of institution facilitate and encouraged the staff members to procure minor and major research project from various funding agencies. As a result few faculty members have submitted major and minor research project and received the grant from UGC.
- As per the annual plan management and college administration have done the necessary yearly maintenance of laboratories, furniture, equipments and college building etc.
- College organized number of student centric programmes/activities for the overall development of the student.

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

❖ Best Practice – I

1. Title of the practice:

“Coaching Classes for Entry in Services.”

2. Goal:

- To identify and nurture the talent available in the institution.
- To build competence in the students to face State and National level Competitions.

- To reduce disparity existing in rural area in respect of competitive examinations.
- To develop skilled human resource.
- To cater to the needs of different sectors like defense, administration, management, education etc.
- To inculcate values of hard work, commitment, dedication, understanding of socio-economic and national issues and positive thinking.

3. The Context:

- The institution is situated in rural environment and students of the institution belong by and large to the weaker sections of society.
- The institution could be a meaningful resource in bridging the gaps for the exposure to information and opportunities.
- The institution has a sprawling campus with various facilities in all the departments. The competent faculty in the departments are strength of the institution.
- The rural youth has all the capability to excel in the competitive exams. The coaching classes, guest lectures and informal interaction with faculty give them opportunity to recognize hidden talent in them.

4. The Practice:

• The Components of Coaching:

- Indian History: (Ancient India, Medieval India and Modern India).
- World Geography: (Based on NCERT Syllabus up to Xth Class).
- Indian Economics: (except microeconomics).
- Indian Polity: (Our Parliament and Our Constitution).
- General Science.
- Verbal and Nonverbal Reasoning.
- Mental Ability.
- Current Events.
- Sports

• Available Learning Resources:

- Library: The Library is equipped with books on various competitive examinations besides Magazines and weeklies. INFLIBNET and N-LIST is also available for reference in the library.
- Ex-students of the college are also provided the library facility for the preparation of competitive examinations.
- Auditorium is optimally used for coaching classes availing ICT facility.
- Reprography facility is also available in library and in office.

• Role of Faculty:

- The faculty facilitates teaching-learning process of essential components broad syllabi of competitive examinations. The teachers are competent in respective field and cover entire syllabus very sincerely.

- The internal as well as external post graduate students are also guided regularly on SET/NET examinations.
- Guidance for various National level PG entrance examinations is provided by the faculty.
- The teacher plays the role of a catalyst and motivates the students to take up the challenges of various competitive examinations.
- Information on Examination:
Advertisements regarding various competitive examinations for jobs / further education are regularly displayed. Students are guided on procedures of various admission processes.
- The Evaluation Test:
Regular tests are held to keep track of student's performance.
- Participants:
Interested students from the institution as well as external students are provided the coaching facility.
- Selections:
Every year few students are selected for various services and PG programmes and qualify NET/SET.
- Constraints/Limitations:
 - To cover the vast syllabus of competitive examinations time is the major constraint.
 - Building confidence and consistency among the students are real challenges considering the background they belong to.
 - Bearing additional expenses for such an activity is also a major challenge.

5. Evidence of Success

- Every year some students are selected in CET and join B. Ed. courses to make education as career.
- Few students qualify State CET and join MBA programme.
- Some students qualify for MCA programme.
- Few students have qualified Public Service Commission's Examinations like Railway, Police and other Public and Private sector.

6. Problems Encountered and Resources Required

- Building confidence and consistency among the students are real challenges considering the background they belong to.
- Bearing additional expenses for such an activity is also a major challenge.

❖ Best Practice – II

1. Title of the Practice:

“Sports and Physical Training facility for entry in government services including defence and police services”.

2. Goal:

- Initiative towards Nation building and service to the Nation.
- To provide employment opportunity to the students.
- To foster the concept of healthy mind and body.
- To boost the sporting activity in the institution.

3. The Context:

- The basic aim of the institution is to provide equal opportunities for rural, educationally and socially weaker section of the society.
- The institute could be a meaningful resource in bridging these gaps.
- The institute has large play ground with various facilities under the Department of Physical Education.
- Physical fitness is an integral part for entry in Government Services including defence and police services. To achieve the required fitness, a large play ground in the institute with 400 meter track and all other athletics facility play an important role.
- These services offer a very good opportunity of employment.
- Initiative by the institute certainly brings health awareness through exercise and naturally augments the sporting activity in the institution.

4. The Practice:

- The Physical Training given includes:
Running (Short and Sprint), Horizontal and Parallel Bar, Shot put, Discus throw, Long Jump, Gymnasium, etc. for students. These are the main components during selection trials.
- Supplementary Exercise as warm-up:
Shuttle run, sprints, stepping, skipping and Surya Namaskar.

- Available Physical Facilities:
 - A large play ground with 400 meter track.
 - Separate long jump facility.
 - Single and double bar facility.
 - Separate area for shot put and discus throw.
 - Two volley ball grounds.
 - Four kho-kho grounds.
 - Two kabaddi grounds.
 - Cricket pitch.
 - All necessary equipments and kits.
 - Gymnasium
 - Role of Faculty In-charge:

The faculty in-charge trains, monitors and organizes practice sessions of the students. Being in-charge of the Department, he looks after the requirements and provision of appropriate facilities. He plans the training sessions in the morning as well as evening hours so that routine of the institute does not suffer. The two sessions provide flexibility to participate as per the convenience of the aspirants.
 - Information of Selection Trials:
 - Necessary information is circulated in class rooms and displayed at notice board.
 - The department keeps a track of selection trials at regional, state and national levels and informs the students.
 - The Physical and Written Test:

The department organizes Physical tests.
 - Participants:

Many students make advantageous use of the existing facility and do daily practice in the morning and evening.
 - Selection:

Some students are selected in the defense and police services.
 - Constraints/Limitations:
 - Building confidence and consistency among the students are real challenges considering the background they belong to.
 - Bearing additional expenses for such activity is also a major challenge.
5. Evidence of Success:
Many students have been selected in Defence and Police services during the last five years. The results reflect Institution's efforts in the right direction in line with its mission.
6. Problems Encountered and Resources Required:
 - The major problem encountered is availability of skilled personnel in sufficient number.
 - There are financial constraints to provide free kits to all the aspirants.

- e-Waste Management:
 - Unserviceable batteries are replaced with new one.

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add (for example SWOT Analysis)

❖ Strength :

- Legacy of founder of Anandwan Shradheya Baba Amte.
- Safe and secure environment for co-education.
- Qualified, Skilled, Experienced & Dedicated faculty and committed and hardworking non-teaching staff.
- Conducive working atmosphere in the institution.

- ICT facilities available.
- Teachers always intended for their academic elevation, pursue research in their field of interest.
- Institution is recipient of UGC Grant for laboratory equipments.

❖ Weaknesses:

- Average students seek admission
- Less employment opportunities due to slow industrial of the region.
- Academic dependence on University.
- Old and insufficient infrastructure.
- Skilled base job oriented programs.

❖ Opportunities:

- Easy accessibility for the students coming from near vicinity.
- Training & Placement cell. Remedial teaching to slow learners and economically weaker students.
- Providing opportunity to the students to interact with experts in the fields through Seminars, workshop, conferences, inter collegiate competition, science exhibition and visit to scientific laboratories.
- Research guidance facility available to students.
- The students are provided opportunities to participate in various intra and inter institutional activities.

❖ Threats:

- The students are admitted from the rural and backward area, it is difficult to inculcate the scientific and technological attitude in the students.
- Declining interest in pure science subjects.
- Improve the grasp of average students and slow learner.
- Skill development.

❖ Future plan:

- The institution desires to start Center for Higher Learning and Research.
- More focus on research and extension activities.

8. Plans of institution for next year

1. Promoting the research activity in the institution and procuring research project.
2. Initiation of post graduate courses in departments.
3. Recruitment of teaching and non-teaching and administrative staff as per immediate need of college.
4. Widening the internet access facility and making the center facility more accessible.
5. Stepwise effort towards expansion of college building.
6. To start short term training programme for student and staff
